Professional Summary

B.Tech Computer Science student focused on Full Stack Web Development, with hands-on experience in React.js, Node.js, Express.js, MongoDB, Java, and JavaScript. Completed full-stack training and a Web Development internship, seeking a software development internship to contribute to real-world projects and strengthen practical engineering skills.

Education

Babu Banarasi Das University, Lucknow	2022 – Present
B.Tech in Computer Science and Engineering	
St. Thomas International School, Varanasi	2022
Intermediate	
St. Thomas International School, Varanasi	2020
High School	

Technical Skills

Languages: Java, JavaScript
Frontend: HTML, CSS, Tailwind CSS, React.js
Backend: Node.js, Express.js
Database: MongoDB
Tools: Git, GitHub, VS Code
Core Subject: Data Structures and Algorithms

Experience

Web Development Intern – Labmentix	Oct 2025 – Dec 2025
- Developed and enhanced web-based features using modern frontend and backend technologies. - Worked on responsive interfaces and implemented functionality based on project requirements. - Debugged application issues and improved the reliability and usability of web features.	
Full Stack Web Development Training – Learnovate	2025
- Completed hands-on training covering frontend, backend, database integration, and full-stack application development. - Built practical features using React.js, Node.js, Express.js, and MongoDB.	

Projects

Library Management System – MERN Stack

- Built a full-stack library management application for managing books, users, and library records.
- Implemented authentication, user management, and book management functionality.
- Integrated frontend, backend APIs, and MongoDB for end-to-end data management.

Portfolio Website – HTML, CSS, Tailwind CSS

- Developed a responsive personal portfolio using HTML, CSS, and Tailwind CSS.
- Added resume download, project showcase, and GitHub integration.

Alzheimer MRI Classifier – CNN

- Developed a CNN-based MRI image classification system for disease detection.
- Performed image preprocessing and model evaluation to assess classification performance.

Certifications & Achievements

- Full Stack Web Development Training – Learnovate, 2025
- Web Development Internship – Labmentix, 2025
- IBM National-Level Hackathon Participant, 2025
- Solved 200+ DSA problems on coding platforms

Languages

English, Hindi
